

DALHART YIELDS PALM TO LEAGUE

GRANDSTAND FILLED WITH ENTHUSIASTIC FANS ATTESTED INTEREST.

The superb battery work of Carty and Max Murry together with the brilliant fielding of the Leaguers defeated the strong Dalhart team by the score of 5 to 2.

The grandstand was filled and a double line of fans attended to the interest of the Amarillo fans. Trotty went the entire route for the Leaguers striking out ten men, denoting but two safe singles to the hard hitting wets. Too much credit cannot be given this young pitcher for his performances as he has established a new record of a two hit game in the City League and earned a reputation that will spread over the entire Panhandle. Max Murry, peeing behind the bat, studied each man up and called for the kind of twirls which proved that slingers needed. Max also carried off the batting honors of the day, getting three safe hits in four chances, one of which was a three racker. These hits scored two runs out of the five and made possible a trifect. The Western Federation lost a man earlier when Max decided to go in business with Morrow Thomas. Blanchard exhibited if possible his usual star game at the final walk where as captain of the day he kept the team on its toes every minute of the play. Springing the war club he laid down a sacrifice bunt lined a near single, and piled out a double in four times up.

Tom Mounting both a short ball defense back of second base making two put outs and two assists with one error. He hit the first pitched ball of the day for two bases, a walk which developed into a run and piled a cannon ball drive over third base which held the leadoff wets and caused a Soldadoen of the Dalhart team brought down with a one handed running catch.

Daddy Coker effectively plugged up the after way one error. San cracked another, the old gentilman not so much for the fact that that ball was intended to go on out to the out field as we were standing not over ten feet away when the stop was made. Although the ball was far out to hold Dad showed great presence of mind of shifting it from one hand to the other, making blowout on his fingers instead of breaking it far over the base or often lumpes on this kind of play.

Allen, famous for his throw across the diamond gyrated around third base, also managed to set a three bagger off Gleason's famous delivery. The hot field presented no errorsome game. Rock at center pulling down a high fly when two men were on bases and retiring the side. Had he missed this skydark the score would have been.

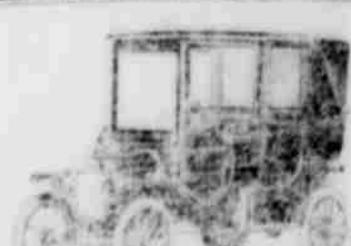

Clouston of Dalhart pitched a heartstopping game smokin' the ball over the plate in a manner that would have won a game anywhere but against the Leaguers. Here he was up against the tough proposition of facing the nine best hitters in the City League. Every man he pitched to got on the league map by his high average with the stick. Eight safe hits were extracted off Clouston's delivery and the last that he only struck out three men struggeled to the glass or ball the Dalhart boys had to exhibit him. Kilbin in center field played a stellar jump, twirling the Leaguers of line drives and twice pulling down long flies that would have ruined the game. Smith, Lyons, and Clouston also deserve mention for their fast work. The day was beautiful, the game was excellent and every fan went home happy.

Jupiter Pluvius watched the game behind the grandstand and for the first time this summer kept off the ball grounds with his old fashioned sprinkling system. The only regrettable feature of the afternoon was that several timid spectators visited their doctor's office and carried on a vigorous restorng campaign. The reactionary effect of another victory causing them to be carried home in a state of collapse.

Williams' selection reflects his European training. His service is less active than McLaughlin's, and his swimming not so good, but in all-around play he is probably the best ever developed in this country. His playing is unusual in its accuracy, and he has a remarkable knack of striking an opponent out of position and laying him open for a kill.
